FALL & SPRING PROGRAMS OVERVIEW

College & Leadership Program – Students will attend leadership, academic and college prep workshops at a selected university. Workshop topics will include communication skills, essay writing, college planning info, test taking strategies, public speaking skills, SAT prep, Georgia High School Graduation Test prep and more! Homework assistance will be provided weekly. Students will also increase community service hours by participating in various local service events.

College Prep (Virtual Program) – Students will receive personalized college planning assistance. Each student will be assigned to a College Planning Coordinator who will guide students in identifying higher education goals, selecting colleges and universities, meeting college preparation deadlines, selecting attractive high school courses and extra-curricular activities, creating attention-getting essays for scholarships and more! Students registered for this program will receive unlimited access to a designated College Planning Coordinator.

College & Leadership Program w/College Prep Virtual Program – This program combines the services offered in the College & Leadership Program and the College Prep (Virtual Program). This program is ideal for juniors and seniors who would like to attend the leadership workshops, build community service hours and will also need personalized assistance in college planning.
