Subject: FW: Scholarship & Internship Information

Below are a number of nationwide internship, fellowship and scholarship programs. Please spread the word!

1. "O" The Oprah Magazine is looking to hire fall interns in the Fashion and Style Departments. Candidates must be highly organized, detail-oriented and be able to juggle multiple tasks at once. Prior internship experience preferred, but not required. This opportunity is available for college students in need of credit hours and recent graduates who are available to start immediately, full-time from 10:00 a.m. to 6:00 p.m., 5 days a week. Send resumes with a cover letter to:

Cindy M. Del Rosario, Associate Editor O, The Oprah Magazine
1700 Broadway, 38th floor NY, or call 212-903-5149.

2. Verizon is looking for students who are 2006-2007 graduates of Historically Black Colleges and Universities (HBCU). If you know of someone graduating from a HBCU this year with a degree in Engineering, Computer Science and Technology, Information Technology, General B business, Finance or Marketing, please have them forward their resume to: melissa.w.langham@verizon.com to be considered for career opportunities within Verizon.

3. The Women's Technology Program at MIT is a 4-week;summer residence program to introduce high school girls to electrical engineering and computer science. If you know a girl who is currently a high school junior who demonstrates math and science ability and an interest in finding out about EECS, please encourage her to visit our website for more information and for an application form (sorry, applications were due Feb 3, 2007, but explore possible exceptions) <http://www.mit.edu> Our classes are taught in a supportive environment by a staff of women MIT PhD candidates and undergraduates The full-time academic program includes hands-on experiments and team-based projects in computer science, electrical engineering, and mathematics. No prior experience in computer programming, physics, or electrical engineering is expected, but applicants typically have strong academic records, especially in math and science.

4. HARVARD'S TUITION ANNOUNCEMENT - Harvard is offering free tuition for students that have a family income below \$40,000. If you are a mentor or have nieces and nephews who might be interested, please give them this information. If you know any one/family earning less than \$40K with a brilliant child near ready for college, please pass this along. The prestigious university recently announced that from now on undergraduate students from low-income families can go to Harvard for free...no tuition and no student loans! To find out more about Harvard offering free tuition for families making less than \$40,000 a year visit Harvard's financial aid website at:<http://admission.fas.harvard.edu/FAO/index.htm> or call the school's financial aid office at (617) 495-1581.

1) General Mills Corporate Scholars Award

General Mills and UNCF have partnered to offer the General Mills Corporate Scholars Award which provides a scholarship for the 2007-2008 academic year. Students will be selected based on academic performance, career aspirations, demonstrated leadership, and achievement. Learn More at <http://blackstudents.blacknews.com/opportunities/03-15-07d.html>

Have you ever wanted to work at NBC, CBS, ABC, Turner, Clear Channel, etc? If so, the Emma L. Bowen Foundation is looking for you! We are currently seeking high school juniors, high school seniors, and college freshman for PAID summer internships in television, radio, or cable stations in various US cities (see attachment for list of cities). Eligible students must have a 3.0 or higher GPA, an interest in media, and plan or currently attend a 4-year college. Selected candidates will work every summer throughout their college years, as well as earn an hourly salary and matching scholarship dollars to help pay for college expenses.

Please visit our website: www.emmabowenfoundation.com<<http://www.emmabowenfoundation.com/>>; to learn more about our program and to obtain an application. The application deadline is February 16, 2007.

The Foundation's mission is to create career opportunities in the media industry for minority youth through a program that focuses on scholastic achievement, direct work experience and professional development. Since 1989, we have successfully placed hundreds of high school and college students in various media companies throughout the United States.
